“This product is very helpful and effective. I’m very happy with the quality of the product.”

~ Cikgu Kasmawati, SMK Datuk Haji Admad Said (Guru Cemerlang & Jurulatih JPN)

“Has user friendly interfaces. The Teaching & Learning part is short and precise.”

~ Cikgu Azwazaton, SMK Clifford (Ketua Panitia Additional Mathematics)

“It gives teachers more freedom in setting questions as the number of questions is unlimited.”

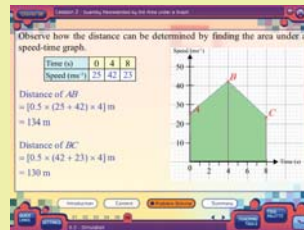

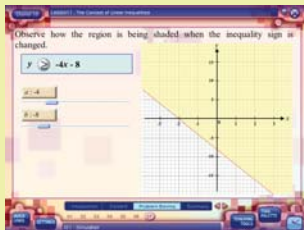

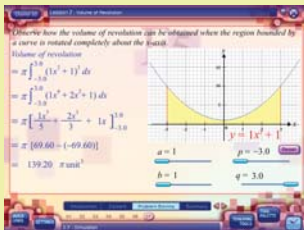

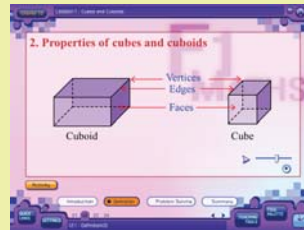

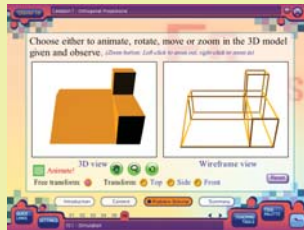

~ Cikgu Zuriati, SMK Tanah Merah 1 (Mathematics teacher with 9 years of experience)
